The Most Reverend Frederick James Hiltz Scholarship Scholarship Application Guidelines

The Most Reverend Frederick James Hiltz Scholarship Fund has been established by the Diocese of Toronto to support study programs to be undertaken at Saint George's College, Jerusalem. The scholarship fund has been named to honour and recognize the commitment and faithful support shown by the Primate of the Anglican Church of Canada for the mission of the Diocese of Jerusalem and of Saint George's College.

Scholarships will be made available to individuals throughout the Anglican Church of Canada but priority will be given, in the first instance, to applications from the Diocese of Toronto.

Who may apply?

- All active clergy in the Diocese of Toronto, members of religious orders, postulants and laity, including diocesan and parish staff shall be eligible, upon application, to receive scholarship awards.
- In the case of applicants from the Diocese of Toronto, all applications must be accompanied by a letter of approval of the Area Bishop, and in the case of applicants other than clergy, an additional letter of approval from the incumbent of the applicant's parish.
- In the case of members of religious orders and diocesan staff, applications will also require a letter of approval from the Diocesan Bishop.
- Subject to applicants from the Diocese of Toronto being given priority, scholarships will also be awarded, upon application, to applicants from other Canadian dioceses subject to the same eligibility criteria and approvals cited above.
- The scholarship is restricted to "first time" students at St. George's College.
- Although awards will normally be made only to individuals, applications from small groups may be considered from time to time.

How and when is the decision made?

- Subject to the eligibility criteria, scholarship awards will be made at the sole discretion of the Bishop of Toronto in consultation with the Canadian representative(s) currently serving on the board of the North American Committee for St. George's College Jerusalem (NAC).
- Scholarships will be awarded annually in the spring.
- Applications are to be received no later than March 31 for the current or following year.

How many scholarships will be approved annually?

- Depending upon the number eligible applicants, three to five scholarships may be awarded.

What does the scholarship cover?

- Typically, each scholarship will cover the cost of tuition, room and board and a maximum of \$1,000.00 toward airfare and transportation.

What college courses qualify?

- Typically, the 10-day *Palestine of Jesus* course or courses of equivalent duration will qualify. However, many other courses offered at the College may also qualify depending upon the applicant's cited purpose for taking the course in question.

What must I do to qualify for a scholarship?

- Each applicant or group is expected to submit a “one pager” explaining the following:
 - Why you are interested in studying at Saint George's College?
 - What course are you planning to take and why?
 - What are your learning objectives and how might this learning be implemented into your current ministry setting? How might others benefit from your experience?
