WHY WE NEED YOUR HELP

The Omar family was sponsored to come to Canada by Asha's son Mohammed. We all know the many disruptions caused by the COVID-19 pandemic and many of our sponsors are still feeling its effects, Mohammed being one of them. Mohammed is in need of some assistance to help support his family once they arrive in Canada. He has worked hard to do his part but a little more help is needed.

ABOUT THE OMAR FAMILY

The Omar Family is made up of a single mother (Asha aged 41) and her 4 children, (Zahara, 19 Kafiya, 16, Sudhes 12 and Hamza 9). The Omar family has been living as refugees in Kenya and are excited for the opportunity to restart their lives here in Canada. Asha is eager to improve her English and find work as soon as possible. Zahara has ambitions to have her own business one day. Kafiya dreams of becoming a doctor. Sudhes is a runner and wishes to run a marathon. and the youngest, Hamza loves to play soccer.

The Omar Family will be arriving this month.
